

# Half Step Highlights

Name \_\_\_\_\_

A half step is the distance from one note to the next key beside it....(or, the smallest interval used which is equal to the distance between two adjacent notes.)

Write the note in the blank that is one half step higher. Draw the note on the staff.

Write the note in the blank that is one half step lower. Draw the note on the staff.

Write the note in the blank that is TWO half steps lower. Draw the note on the staff.

Write the note in the blank that is TWO half steps higher. Draw the note on the staff.
